

# Holiday Smile Cookie Pre-Order Form

From November 13 – 19

Tim Hortons Restaurant Owners will be supporting  
**Kinship Families with the Children’s Aid Society of Algoma** and  
Tim Hortons Children’s Foundation camps.

The Kinship Program is a vital service, providing crucial support for children who require an out of home placement to remain with their family of origin. Child welfare increasingly relies on kin families to provide safe and nurturing environments for children and youth in need of out-of-home placements. Last year alone, provincially, 29% of children requiring out of home placements found safety with kinship families, who can be either relatives or individuals familiar to the child, youth, or parent. Locally, we are proud to report that 50% of the children who require out of home placements are placed within Kinship homes with family/friends know to the children.
